December 16, 2014

On behalf of the City of Covington, I am honored to recognize you, David, for your musical salute to our City! Your love of Covington is evidenced by your original composition - "Covington, My Hometown".

David, your gift is an authentic treasure for all to enjoy. Today, it is with genuine gratitude that I wholeheartedly thank you once again for your musical score and eagerly look forward to your live performance.

As Mayor of "our hometown", your lyrics and verse accurately depict our great community and have a special meaning to me as another hometown boy. Covington is extremely fortunate to have you here!

A handwritten signature in blue ink that reads "Mike Cooper".
